You are invited to attend the [Community Prevention Initiative \(CPI\)](#) Prevention Extension No Cost Workshop, "Brief Intervention for Substance Using Adolescents."

Training Description:

This training is to build skills of counselors working with adolescents. BI is a short-term counseling intervention that consists of 2 to 4 sessions aimed at adolescents who use alcohol and/or other drugs. This approach uses motivational interviewing, cognitive behavior therapy and the stages of change model to meet the needs of adolescents.

Learning Objectives:

- Examining the counselor's attitudes and relationship with teens
- Learning to teach adolescents how to take a more active and reflective role in decisions about their own behavior.
- Identifying strategies that would support an adolescent driven plan to make decisions they see as beneficial
- Increasing knowledge about drug and alcohol use among teens
- Utilizing Motivation Interviewing to empower rather than enforce

Target Audience:

School Administrators, Educators, Staff, Counselors and Nurses
