Continued Education Hours:

6 Hours of Continuing Education Credit are available for onsite trainings. Course meets the qualifications for 6 hours continuing education credits for LMFTs, LCSWs, LPCCs and/or LEPs as required by the California Board of Behavioral Sciences.

C.E. Hours are offered by CARS for \$25.00 and **must be paid in advance during the online registration process**. No payment will be accepted onsite. Cancellation charges depend on when the written cancellation notice is received. A full refund will be given only if more than 2 weeks' notice is given of a cancellation, see below for refund rates.

-2 weeks' cancellation notice: Full refund

-Less than 14 days' cancellation notice: No refund unless in exceptional circumstances, for which a medical certificate may be requested.

CARS is an approved provider for:

CCAPP # 4N-08-923-0718

CA Board of Registered Nurses # 16303

CAMFT # 131736

You are invited to attend the [Community Prevention Initiative \(CPI\) Regional Training "Cultural Competence for Counties"](#).

Training Description:

Through facilitated discussions, training sessions, and action planning, Cultural Competency for Counties will support counties working to achieve cultural competence. The regions will cover a smaller geographic area in order to be more culturally responsive to SUD Prevention (Pv) service recipients.

Learning Objectives:

- Provide information and guidance on how to incorporate cultural competence into local SUD Pv efforts and strategic prevention planning.
- Understand how to integrate prevention strategies to address the Social Determinants of Health and health disparities.
- Support county departments and local service providers to competently address the needs of focus populations.

Target Audience: County Prevention Coordinators, County department staff, contracted SUD Pv providers, community-based organizations, regional prevention coalitions, and other local collaborators.

CPI is funded through the California Department of Health Care Services (DHCS) Prevention and Family Services Section, with training and technical assistance (TTA) administered through the Center for Applied Research Solutions (CARS). The TTA project is intended to serve California agencies and organizations involved in community-based prevention. CPI is able to provide no-cost TTA support for planning and prevention services that include a broad community perspective.
